

"Coloring with Terra Sigillata"

with Pierre Bounaud

April 12-13 & 19, 2014

Cost: \$120/person

The workshop will take place at my home studio, over the course of one week-end (April 12th 2 - 5pm, April 13 10am - 5pm) and the following Saturday (April 19th 9am - 1pm). It will be a small group, with 5-6 students at a time, for maximum one-on-one interaction.

In this hands-on workshop, you will learn how to make your own terra sigillata, how to mix in a wide range of colors, and how to apply to greenware to create your own original designs. You will bring 3 dried pieces (greenware), no bigger than 10 inches in any direction, for practice. They will be bisqued then they will be prepared for a low temperature saggar firing. At the end of the workshop, you will leave with close to half a gallon of terra sigillata, both white and colored, for your own use, and the skills to make much more !

Studio address: 4610 Janet place, San Diego CA 92115.
